

## FLOOD INSURANCE AWARENESS MONTH

Do you have flood insurance? Be sure to protect your investment! Even if it isn't required by your lender or in a flood zone, it's beneficial for everyone to have flood insurance.

Do you have enough flood insurance coverage? It's very important to be sure you have enough coverage to cover cost of damages and prevent any out-of-pocket costs or needing to use your savings.

Are you prepared for the costs of flood damage? It can be very expensive without insurance for flood damage repairs.

It can take 30 days for flood insurance to go into effect. Don't wait for the next storm to purchase a policy and protect the life you've built.

Be PREPARED flooding can happen when you least expect it.

Be sure to check expiration dates on current policies. Renew your flood insurance policy today.
